

# The Friends of the Arts —Hauppauge Library Membership Campaign 2011-2012

To All Friends and Neighbors in The Hauppauge Library Community

Friends of the Arts (FOTA) is a committee of neighbors raising funds to expand cultural and artistic programs presented each year. Whether it's a musical concert or program of special interest, it is scheduled **at no charge** to enrich our library community.

July 1, 2011 begins the new year, and our new membership campaign for 2011-2012. Membership information is below and is probably the best buy in Hauppauge. We ask for your support—whether joining FOTA for the 1st time or renewing annually for years—**WE NEED YOU!**

Our membership campaign will run all summer culminating with a dessert reception and artistic program for all 2011-2012 members. Sunday, September 25, 2011 from 1:30-3:30PM is our Special Membership Festivity featuring a NY Council of Humanities Program, "Forgers & Fakes" given by Evie Joselow Ph.D. A Viennese Table of Dessert Delights will begin at 1:30PM. All FOTA members are invited.
