Worn Flag Collection Box

Frank Poma, Eagle Scout candidate from Boy Scout Troop 343 built a worn flag collection box for his Eagle Scout project and donated it to the Hauppauge Library. "People do not necessarily know what to do with a worn flag. I wanted to help them dispose of their worn flags properly," Frank said.

Worn flags are an item that many people do not know how to discard and this box is designed to help people to do just that. Frank has also made arrangements for the local Veterans of Foreign Wars and American Legion Post to collect the worn flags every month. Both organizations provide flag retirement service to the community.

The library is very grateful to have received this donation and to be able to provide this service to our patrons.

Library Director Matthew Bollerman with Scout Frank Poma
